

Wide Area Vacuum

Wide cleaning path and powerful motors get the job done right.

Impressive performance

This wide area vacuum delivers outstanding water lift and vacuum performance due to its dual motor system design and ensures debris pickup and clean carpet.

Versatile vacuum

This rugged, low profile, wide area vacuum is perfect for vacuuming large areas in schools, hospitals, healthcare facilities and many others.

Choose the right option for your needs

A clean air exhaust filter is available for increased indoor air quality. An attachment kit containing a crevice tool, dusting brush, upholstery tool, hose and extension wand is also available.

Key Benefits

- Easily cleans dust-sensitive environments with impressive dust filtration system
- Adjustable height settings to accommodate various floor surfaces
- Vacuum under furniture easily with a low profile body design

Wide Area Vacuum

Features	Specifications*
Product Name	V-WA-66 120 V / 220 V
Vacuum System Airflow at orifice Vacuum motor hp Vacuum motor type Water lift at sealed orifice	101 cfm / 2.86 m ³ /hr 1 hp / .75 kW Thru-flow, thermally protected with auto reset, UL recognized 114 in / 2895.6 mm
Brush Drive System Brush design description Brush length Brush motor hp Brush motor RPM	Double bristle row, ABS core, spiral patterned 24 in / 609.6 mm 0.2 hp / 0.15 kW 1800 rpm
Filtration Vacuum bag description Vacuum bag capacity Filtration system description	Enviro-Filter, micro-lined 2-ply construction, destroys germs and bacteria 1/3 bushel / 10 L 99.9% efficiency for particles of 0.3 micron. Optional Clean Air Exhaust Filter – 99% efficiency at 0.3 microns
Productivity Maximum coverage rate Cleaning width	11000 ft ² /h / 1022 m ² /h 26 in / 660.4 mm
Chassis/Body Construction Construction Metal parts coating	Rotationally-molded polyethylene Zinc and chrome plating, epoxy powder coat
Power System Power cord length Power cord type	50 ft / 15.24 m 16 gauge, 3-wire, SJTO, non-marking safety yellow with grounded plug
Accessories Standard accessories Optional accessories	One cloth bag and one disposable paper bag Attachment kit, clean air exhaust filter
Dimensions / Weight / Sound Level Length Width Height Net weight Sound Level (at operator's ear)	19 in / 482.6 mm 26 in / 660.4 mm 44 in / 1120 mm 44 lb / 19.96 kg 73 dBA
Warranty	See your sales representative or authorized distributor for complete warranty details.
