## WALK-BEHIND SCRUBBER

- Higher performance and productivity in your cleaning system with the Tennant L2 43 cm cord electric scrubber. A cord electric scrubber means no batteries to maintain and the machine will always be ready for use.
- The L2 scrubber design is compact and has excellent sight lines ensuring visibility in congested areas – reducing potential damage to walls or shelving.
- The Tennant L2 has a simple operator interface, making the scrubber easy to operate and instills operator confidence.
